1. The following is an examiner's statement of reasons for allowance:

The present chiral compound has novel structure comprising a spirobiindane core with substituted ester group attached to each phenyl ring. The prior art fails to disclose the present compound. Also, the prior art does not disclose the present liquid crystal composition and display thereof comprising a chiral dopant of structure in claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
